FOUNDED IN 1997 BY STAINLESS STEEL INOXIDABLE PROFESSIONALS

Since its inception, **TIMBLAU** has focused on quality and excellence in customer service for all the products it supplies, even offering tailored solutions to meet their needs.

Currently, **TIMBLAU**, products are present throughout Europe, and our main clients are linked, among others, to the Healthcare, Bathroom Furniture, Railway, and Hospitality sectors.

Our commitment to the quality of our products has driven us to obtain the following certifications:

The logo features the word 'Applus' in orange and black, followed by a plus sign inside an orange circle.The logo features the letters 'SGS' in a bold, black, sans-serif font, with a vertical line passing through the middle of the letters.

Timblau offers a widerange of **stainless steel**, as wel a range of **products adapted** for people with disabilities
